STRIDY

A CLEANER WAY TO MOVE

Stridy is creating a movement to keep our environments clean through striding!

Stridy encourages fun opportunities for striding on your own or with a community!

Stridy’s Vision

Stridy is made up of groundswell of people from all over the world engaged with the subject of waste and recycling, playing our part with a simple stride!

With a global community making collecting litter from their environment a habit, Stridy is creating awareness and advocacy for a cleaner environment.

With enough Striders, our collective impact on living environments will quickly be noticeable to getting our world to 100% proper waste management.

Foundations of Stridy

Positive Motivation

We are committed to ensure our users have a fun experience.

This positive experience builds motivation and commitment to being a part of the Stridy community.

Not for Profit

We are not-for-profit, and get funding from campaigns and events.

We are committed to always being transparent about our finances.

Stakeholder Collaboration

We believe the problem of waste can and will be solved through collaboration of all stakeholders.

We can do this together.
